How to Measure for Your New Apron

- Take all measurements with a cloth measuring tape.
- Measurements should be taken over your clothing.
- Do not attempt to take your own measurements. You should request the help of an assistant for best accuracy.
- Refer to the Find Your Size diagram for proper location of measurements.
- Some apron patterns are cut for specific genders. In these instances, if users of various genders will be sharing aprons, plan to consider male size options. If aprons are being purchased for separate gender use, plan to select the specific gender of the wearer(s) to ensure the best protection/fit.
- Once all measurements have been taken, refer to our sizing chart to find your size.
- If it is determined that a user is between sizes, consider the larger size. Garments that are too big may be made smaller; however, garments that are too small cannot be made larger.

SMART TRACK

SMARTTRACK.INFACORP.COM

Track & Document Lead Apron Inspections

Manage all of your lead aprons in one place with Smart Track, the completely FREE and secure web-based garment tracking system.

HOW IT WORKS

1. Download the free app.
2. Create your Smart Track account.
3. Add your garments.
4. Document your inspections.
5. Set inspection reminders.
6. Export and download reports.

KEY FEATURES

- No Software & No Registration
- Garment Dashboard
- Custom Reports
- Bulk Uploads & Editing
- Filtered Search
- + More!

TRACK ANY GARMENT

Use your existing garment IDs or add Smart Track Retrofit Tags to any apron to get started. Smart Track Retrofit Tags feature unique IDs that can be scanned with the Smart Track App or any 2D scanner.

TESTIMONIALS

"Smart Track makes it simple to manage my suite of lead aprons. We track over 100 aprons - it saves time and headaches."

Rich Norman – Lead Tech
Los Robles Hospital, Thousand Oaks, CA

"Tracking lead aprons and making sure that they have been inspected is a challenge for any large radiology facility. Of the many apron-tracking systems I reviewed, I knew that the "SMART TRACK" apron inventory system would work for our facility and meet new regulatory standards set by "The Joint Commission"...The system is user friendly. All I know is that anyone who has the burden of tracking aprons needs to get "Smart" about tracking their apron inventory".

Roseann Zeldin, RT, (R) (M), CNMT – Assistant Radiation
Safety Officer Department of Radiology & Imaging
Hospital for Special Surgery New York City, New York

"The SMART TRACK Apron Inventory system has revolutionized the way lead apron quality control testing and inventory management is performed at our facility. It is a superior, comprehensive, and user-friendly product. Individual bar make tracking aprons quick and easy. It is the best system I have had the opportunity to work with."

Doug Beardsall MRT (R) CTIC – Senior Technologist QC
Royal Victoria Regional Health Center Barrie, Ontario

Targeted Axillary Protection

3X Higher Breast
Cancer Risk

Female Orthopedic Surgeons
and Radiologic Technologists

THE FACTS

3X higher breast cancer
prevalence in female
orthopedic surgeons

Upper outer quadrant
exposure: 0.40 mrem/hr vs.
lower inner quadrant:
0.06 mrem/hr

C-arm positioning impact:
Lateral projection 7.5x higher
exposure than AP

Fit matters:
Improperly sized aprons
increase radiation exposure

DEVELOPED WITH DR. LINDSEY VALONE

"Our research revealed that standard aprons leave the axilla dangerously exposed—exactly where many breast cancers develop."

Dr. Lindsey C. Valone, MD
Research Partner & Orthopedic Surgeon

The Under-Apron Solution

Targeted Axillary Protection

Critical coverage for commonly exposed areas, regardless of vest size.

Adjustable and Flexible

Customize to fit your body, ensuring protection without limiting motion.

brrr° TRIPLE CHILL EFFECT

Integrated brrr° technology provides continuous cooling, moisture management, and rapid drying for all-day comfort.

Your Portable Protection

Consistent axillary coverage, no matter which apron you wear.

US UnderShield™

UnderShield™ provides targeted radiation protection for the axillary region, addressing the critical gap left by standard aprons. This innovative under-apron solution ensures comprehensive coverage for healthcare professionals working in high-radiation environments.

- Targeted axillary protection regardless of vest size
- Adjustable and flexible design for customized fit
- Exclusive brrr° cooling technology
- Moisture management and rapid drying
- Worn under existing radiation aprons
- Does not limit range of motion

Model / Size	Chest Measurement
US-S	XS/S 33-36" (83.8–91.4 cm)
US-M	M 37-40" (94.0–101.6 cm)
US-L	L 40-43" (101.6–109.2 cm)
US-XL	XL 44-48" (111.8–121.9 cm)
US-2XL	2XL 49-52" (124.5–132.1 cm)
US-3XL	3XL 52-55" (132.1–139.7 cm)

MODEL NUMBERS: US-S, US-M, US-L, US-XL, US-2XL, US-3XL

PARTNERING TO KEEP YOUR APRONS CLEAN & SAFE

INFAB is proud to be a global cleaning solutions partner with Clorox.

Excellent product aesthetics

- No harsh chemical odor or fumes
- No fragrance added
- Nonflammable, unlike quaternary ammonium-alcohol-based wipes
- No volatile organic compounds (VOCs)

Broad healthcare surface compatibility

Recommended for plastics and laminated surfaces, whereas isopropyl alcohol will attack some forms of plastic, rubber and coatings*

Surface materials: All INFAB aprons, stainless steel, vinyl, glass, baked enamel, chrome, glazed tile, glazed ceramic, glazed porcelain, porcelain enamel, laminated surfaces, plastic

If light residue appears, it can easily be removed with a clean, damp cloth

Pictures of 1 ft² Infab apron surfaces after treated with 120 product applications over a 10-week period.			
Clorox Healthcare® Hydrogen Peroxide Cleaner Disinfectant Wipes			
			
Revolution Fabric	Brr° Interior Fabric	Standard Nylon	Diamond Ripstop

* Based on 30-second non-TB, non-Staphylococcus epidermidis bacteria and virus contact times for general disinfecting on federal master labels as of 2/14/13.

683447 Revolution Scrubbles Apron Cleaner

Scrubbles apron cleaner safely cleans your aprons of barium, blood and other common radiology related stains. Now with a clean citrus scent and a stronger more efficient formula.

**Protective Core
Material Inside:**

KI
ARMOR
BI-LAYER
LEAD-FREE

Bi-Layer lead-free core material
passes DIN (6875-1),
ASTM (F2547-18) and
IEC (61331-1-2014) standards.

*"The scattered radiation from the
patient comprises the main source
of radiation dose to staff."*

Scatter protection

Shields provide scatter radiation protection for radial and many other types of procedures. Our lead-free material is the most protective core material against scatter radiation.

How it works

Sterile Scatter Armor Shields are placed on top of the patient drape to block scatter radiation at the source, creating a scatter-free zone, reducing harmful radiation exposure to the doctor or clinician.

One-time use

Scatter Armor Shields are lead-free and disposable.

Sterile

Packaged individually in sterile packets.

Flexible

Scatter Armor Shields easily mold to the patients body for ease of use and maximum protection

Scatter Radiation Testing

According to ASTM Test Method F2547-18.

Sample Information	50 kV	70 kV	90 kV	110 kV	120 kV	150 kV
Scatter Armor Shield	98.7%	96.1%W	92.0%	87.8%	85.8%	80.1%

Direct Beam Attenuation

Sample Information	60 kV	80 kV	100 kV	120 kV
Scatter Armor Shield	0.967	0.911	0.846	0.788

Absorbent

Scatter Armor Shields utilize the highest absorbency covering material in the industry, critical in heavy fluid situations.

Absorbent Rate	1.3 sec
Weight	2.36 osy / 80 gsm
Absorbent Capacity	686% 16.2osy / 549 gsm

GSM - Grams per square meter, OSY - Ounce per square yard

Scatter Armor Multipurpose Shield

Transradial Access: Left and Right Radial, Shunt, Biliary Drainage, Spinal, Fibroid Embolization

Scatter Armor Angiography Shield

Transfemoral Access: Angiography, Coronary Catheterization

Scatter Armor Biliary Split Shield

Biopsy Procedures, Transjugular Intrahepatic Portosystemic Shunt (TIPS)

Scatter Armor Peripheral Shield

Peripheral procedures where the access is through the femoral Artery.

Scatter Armor Multipurpose Shield with Fenestration

Needle Biopsy or Puncture Procedures.

Scatter Armor EP Shield

Subclavian Access: Bi-Ventricular Pacemaker Implants, ICS procedures, and Bi-Ventricular Pacing.

Scatter Armor Dialysis Drape

Dialysis Access and Declothing Procedures.

1001 - C Arm Drape

This item fits all full-size C Arms. Made from durable, high quality polyethylene materials with abrasion resistance to protect from rips or tears.

HIGHLIGHTS: CE Certified, Sterile Product, and Latex Free
QUANTITY: 30 Drapes (15 drapes per box, 2 boxes included)
DIMENSIONS: 42" x 72"
PACKING SIZE: 6" x 12" x 17"
TOTAL WEIGHT: 13.3 lbs.

1002 - C Arm Kit

Contains C-Arm drape, gray Foot Switch Cover, Image Intensifier and X-ray Tube Cover. Fits OEC® 9600/9800/9900 matches OEC® part #00-901501-01 and E9100AG. Includes 5 mounting clips. Made from durable, high quality polyethylene materials with abrasion resistance to protect from rips or tears.

HIGHLIGHTS: Sterile Product, and Latex Free
QUANTITY: 20 Drapes per box
DIMENSIONS: Multiply Dimensions in this Kit
PACKAGING SIZE: 7" x 21" x 24"
TOTAL WEIGHT: 16.7 lbs.

4003 - 54" x 63" Mini C Arm Drape

Fits mini-size C Arms, Xi-Scan, Fluoroscan 3" or 4" FOV. Made from durable, high quality polyethylene materials with abrasion resistance to protect from rips or tears.

HIGHLIGHTS: Sterile Product and Latex Free
QUANTITY: 40 Drapes (20 drapes per box, 2 boxes included)
DIMENSIONS: 54" x 63"
PACKAGING SIZE: 10" x 17" x 24"
TOTAL WEIGHT: 18 lbs.

8003/5406 - Foot Switch Cover

Foot Switch Cover that is clear and fits with Cinch Lock. Made from durable, high quality polyethylene materials with abrasion resistance to protect from rips or tears.

HIGHLIGHTS: Sterile Product, and Latex Free
QUANTITY: 100 per box
DIMENSIONS: 17" x 15"
PACKAGING SIZE: 10" x 14" x 22"
TOTAL WEIGHT: 8 lbs.

Cassette Covers

Protect Your Cassettes

COMPLETE, HIGHLY EFFECTIVE PROTECTION FROM CONTAMINATION

14" x 17"

16" x 19"

24" x 20"

INFAB offers our Cassette Covers in a variety of standard sizes to perfectly fit your needs.

Protect your cassettes in our simple and convenient INFAB Cassette Covers.

Available in boxes of 100 or cases of 500 in an easy-to-use dispenser box.

Cassettes come in contact with blood and other potentially infectious materials.

- Protect your cassettes from cross-contamination
- Protect your patients from infection
- Specially designed to fit your X-ray cassettes
- For use in any imaging area where a risk of contamination exists.

IN-STOCK SAME-DAY SHIPPING

Help Stop the Spread of Infection

The Centers for Disease Control and Prevention (CDC) estimates that roughly 1.7 million hospital-associated infections, from all types of bacteria combined, cause or contribute to 99,000 deaths each year.¹

¹ Klevens RM, Edwards JR, Richards CL, et al. (2007). "Estimating health care-associated infections and deaths in U.S. hospitals, 2002". Public Health Rep 122 (2): 160–6. PMID 17357358.

Lead Curtains

These scatter shields are attached to the table to protect both the operator and the patient from harmful radiation.

Easy Setup & Installation

Easily slides onto most tables with side rails and quickly locks in to place with an adjustable knob.

077036 Single Panel Scatter Shield

The below-table protection screen is attached to the table to protect the operator's lower body from radiation. The upper part of the screen (removable) protects against scatter radiation from the patient's body. The lower part protects the operator's lower body against the radiation from the tube source.

UPPER SCREEN

- .50mm LE with stiff support
- 11" H x 26" W
- Hooks into mobile arm that can be easily removed

LOWER SCREEN

- .50mm LE made up of 4 strips
- 30" L x 26" W

Universal adapter bracket fits almost every table with a side rail

077035 Multiple Panel Scatter Shield

The below-table protection screens are attached to the table to protect the operator's lower body from radiation. The upper part of the screen (removable) protects against scatter radiation from the patient's body. The lower part protects the operator's lower body against the radiation from the tube source.

UPPER SCREEN

- .50mm LE with stiff support
- 11" H x 26" W
- Hooks into mobile arm that can be easily removed

LOWER SCREEN

- .50mm LE made up of 4 strips
- 30" L x 26" W

ADDITIONAL STRIP (INCLUDED)

- Applied with addition of intermediate joint
- 30" L x 10" W

Universal adapter bracket fits almost every table with a side rail

990007 Saddle Shield Radiation Protection Curtains

Saddle Shield Radiation Protection Curtains designed to help protect the body from being exposed to radiation.

- .50mm LE
- Significantly reduces scatter radiation
- Overlapping split front panels
- No special hardware or modifications to imaging equipment required
- Available in any of our fabric colors
- Provide exact dimensions and drawing to fit your specific size table

TERMS & CONDITIONS

1. **PRICING, DELIVERY AND PAYMENT.** The prices for Product delivered under this Order do not include customs charges or duties, or sales, use, excise or similar taxes, or special packaging, or transportation, rigging, drayage, insurance charges and other costs associated with the delivery of Product to the destinations specified by the Customer unless specifically set out on the invoice as individual line items. Therefore Customer will pay directly to Seller ("Seller"), in addition to the prices specified in this Order, any amount set forth on Seller's invoices for customs charges, duties and/or taxes (or provide applicable tax exemption certificates acceptable to the taxing authorities) and special packaging costs, and shall pay directly to the involved carrier(s) all such delivery related costs. All licenses or certificates required for import or export of the Product shall be the responsibility of and obtained at the cost of Customer. Seller's terms are cash upon delivery, unless otherwise set forth in a distribution or reseller agreement. If payment is by credit card, an additional fee will apply. If credit terms are approved by Seller, Customer shall pay all invoices net thirty (30) days after date of shipment. If payment is not made when due, Customer shall be assessed a late charge equal to one and one-half percent (1-1/2%) of the past due balance for each month or partial month following the due date. Additionally, at seller's discretion, all discounts shall be removed and any amounts due shall be the current list price of such items, regardless of any other agreement or discount offered. All deliveries shall be made F.O.B. common carrier, Seller's plant. Title and risk of loss or damage will transfer from Seller to Customer upon delivery of goods at the F.O.B. point. Customer shall notify Seller, in writing, within one (1) calendar day after delivery, of any claimed shortages, damage or of rejection of the delivery. Sufficient detail to establish grounds shall be included in any rejection.

2. **PRODUCT SAMPLES.** Product samples will be provided to licensed distributors of Seller's product. Upon termination of a distribution arrangement, distributor shall return to Seller, at distributor's expense, all samples previously provided to distributor by Seller in resalable as new condition. For any goods not returned in accordance with the above, Distributor will be invoiced for sample product at the same discount established for distributor for production goods. If invoice is not paid within 10 days of receipt, all discounts will be canceled and prices for samples will revert to full List Price.

3. **SECURITY INTEREST.** Seller reserves, until full payment is received, a Purchase Money Security Interest in each Product Unit and the proceeds of any sale thereof. A copy of this Order may be filed as a Financing Statement with the appropriate state authorities to perfect the security interest of Seller.

4. **CANCELLATION OF PRODUCT.** Customer hereby acknowledges and agrees that all Product is custom

manufactured for each individual Customer and once production has commenced there can be no cancellation of orders.

5. **TERMINATION.** This Order may be terminated by either party at any time: (a) if the other party has breached any material provision contained in this Order and has not cured the breach within thirty (30) days of receipt of written notice of the breach; or (b) if the other party petitions for relief under the Bankruptcy Act, if a receiver is appointed to conduct its business, if it makes an assignment for the benefit of creditors or if an involuntary bankruptcy petition is brought against it and has not been discharged within 30 days of date brought. Seller termination of this Order shall be without prejudice to any other remedies Seller may have. In the event Seller terminates this Order pursuant to Article 4, in addition to any other remedies available to Seller, Customer shall be obligated to pay for all Product shipped and shall accept delivery of and pay for all Product on order as of the date of termination. Customer's obligation to pay all charges accrued as of the termination hereof shall survive such termination.

6. **GENERAL PROVISIONS.** These terms and conditions shall supersede all terms and conditions printed or implied on any purchase order issued by Customer. No other terms or conditions shall be binding upon Customer or Seller unless said terms and conditions are specifically accepted in writing by Customer and Seller. The failure of Customer or Seller to enforce at any time or for any period of time any of the provisions of this Order shall not constitute a waiver of such provisions. Seller shall not be liable for delays or failure to ship for causes beyond Seller's control, affecting it or its suppliers, including, in part: natural disasters; war; Customer's conduct; labor unrest; riot; governmental interference; unavailability or shortage of labor, materials, fuel or power through customary means at normal rates; failure or destruction of plant or equipment arising from any cause whatsoever; or failure of transportation. If any provision of this Order should be determined to be unenforceable or illegal, it shall be deemed severable from the other provisions, which shall remain valid and enforceable. The validity, performance and construction of this Order shall be governed by the laws of the state of California. Customer agrees to accept venue in, and accept the exclusive jurisdiction of, the courts sitting in the state of California. Any disputes arising out of the performance of this Order shall be settled in accordance with the rules of the American Arbitration Association. The arbitrator may award all costs of dispute resolution, including attorneys' fees, to the prevailing party. Seller agrees that the Product to be furnished under this Order was produced in compliance with all applicable federal requirements with respect to fair labor standards and equal employment opportunity.

7. **LIMITED WARRANTY ON PRODUCT.** Seller warrants that all Products are warranted to be free of defects in

material and workmanship for a period of two (2) years from the date of shipment. This excludes glasses. Eyewear shipments in the U.S. are covered by a one (1) year warranty from date of shipment and exclusions may apply. This excludes negligence or wear and tear, including scratched or broken lenses. Inquire for additional details. Products returned under the above warranty shall be either repaired or replaced at the sole discretion of INFAB, LLC., and is limited to the value of the Products on the date of the original shipment. All replaced parts and Product become the property of Seller. This limited warranty does not include service to repair damage to the Product resulting from customer's negligence, misuse, modification of the Product, or use for purposed other than those intended by its manufacture. Does not cover excessive use or wear and tear from improper storage or customer abuse or failure to follow proper care guidelines. Warranty is voided if any solvent based cleaning solutions are used. Seller's obligations under this limited warranty are conditioned upon Customer's compliance with Seller's reasonable instructions and requests in connection with its performance of such obligations. Service under this limited warranty may be obtained by delivering the Product at Customer's expense (using the original shipping container or its equivalent) during the warranty period to the manufacturer and providing proof of purchase date. Customer shall assume the risk of loss or damage in transit. Seller shall bear the cost for return of repaired or replaced Product under valid warranty claims to Customer by normal commercial means in the continental United States. For further information, refer to the Limited Warranty contained in Seller's standard product literature, if applicable.

NOTE: All aprons must be inspected by the facility before they are put into service. No returns for aprons with alleged pinholes, tears, or cracks will be allowed more than seven (7) days after the aprons have been received by the end user. Protective core material is fragile, easily damaged and therefore great care is needed to protect the integrity of the core material. All aprons are inspected and free of defects when they are shipped. Pinholes, tears, cracks and other damage to the protective core material can be caused by many different factors, but if they are not there when the apron is received and inspected, then they are not the responsibility of the manufacturer and the warranty does not apply.

EXCEPT AS SET FORTH HEREIN AND IN THE LIMITED WARRANTY INCLUDED IN SELLER'S STANDARD PRODUCT LITERATURE, IF APPLICABLE, SELLER HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ARISING OUT OF OR IN CONNECTION WITH THE SALE OR USE OF THE EQUIPMENT, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. OTHER THAN AS STATED ABOVE THE LIMITED WARRANTY

SET FORTH IN THIS SECTION, COMBINED WITH THE LIMITED WARRANTIES CONTAINED IN SELLER'S STANDARD PRODUCT LITERATURE, IF APPLICABLE, SHALL CONSTITUTE THE SOLE AND EXCLUSIVE REMEDY OF CUSTOMER AND SHALL ESTABLISH THE SOLE AND EXCLUSIVE LIABILITY OF SELLER, ITS SUCCESSORS OR ASSIGNS IN CONNECTION WITH THE PRODUCT. IN NO EVENT WILL SELLER BE LIABLE TO CUSTOMER FOR ANY DAMAGES, INCLUDING SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, ARISING OUT OF THE USE OR INABILITY TO USE SUCH PRODUCT, EVEN IF SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR ANY CLAIM BY ANY OTHER PARTY. SOME STATES DO NOT ALLOW THE LIMITATION OR EXCLUSION OF IMPLIED WARRANTIES OR OF LIABILITY FOR SPECIAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. SOME STATES DO NOT ALLOW THE LIMITATION OF LIABILITY OR THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE LIMITATIONS AND EXCLUSIONS MAY NOT APPLY AND CUSTOMER MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

8. **DAMAGE IN SHIPMENT.** The packaging of INFAB products meets or exceeds all requirements of the Consolidated Freight Classifications. However, all packages should be checked immediately upon arrival at Customer's facility. Should any concealed damage be suspected, the Customer shall note it on the Bill of Lading when received. If any concealed damage is discovered, contact the carrier to schedule an inspection. Any claim must be made directly to the carrier as soon as possible or the claim may not be allowed. Any claim for damage must be made directly with the carrier. INFAB cannot file a claim in the name of or for the benefit of the Customer. Failure to follow this exact procedure could invalidate your claim.

9. **DELIVERY.** All stock items are shipped from our warehouse the same day if P.O. is received before noon. Otherwise it will ship next day. Non-stock or custom items (such as modified or special size aprons and/or monogramming) are shipped within 7 to 10 days of our receipt of your completed order. All special services such as UPS Blue or Red, Fed-Ex, Airborne, etc. can be accommodated at actual cost.

10. **MINIMUM ORDERS.** There is a \$100.00 minimum per purchase order.

11. **EXCHANGES OR RETURNS.** Must have prior approval by notifying us within 5 days of receipt of the order whether shipped direct to you or drop shipped to your customer. All returns must be sent in their original packaging. A 20% restock charge plus all freight charges including the outbound and return freight will be due and payable. Made-to-order items such as aprons and protection garment accessories, or a product with any modification are not returnable. This includes barriers or racks in any other color except our standard Medical White.
